3 proof of the execution of any such arrangement, or contract may result in the cancellation of or

5 B. Notwithstanding any other provision of this chapter or title to the contrary,
6 manufacturers, wholesalers, distillers, wine makers, brewers or their employees, agents or officers
7 shall be permitted to make contributions of money or merchandise to a licensed retail dealer that

9 unrelated to such organization's retail operations.

10 C. Notwithstanding any other provision of this chapter or title to the contrary, a
11 brewer or manufacturer, its employees, officers or agents may have a financial interest in the retail
12 business for sale of intoxicating liquor and nonintoxicating beer at entertainment facilities owned,

1 fiscal years and to credit the balance thereof to the municipal revenue fund of the City.

2 14.06.100 Qualifications of licensee—Natural persons.

3 A. No natural person shall be qualified for a license under the provisions of this
4 chapter or title unless he: (1) is of good moral character; (2) is registered to vote in this state; (3)
5 has paid all taxes and license fees due and/or payable by him to the City; (4) has never been
6 convicted since the ratification of the Twenty-First Amendment of the Constitution of the United
7 States of a violation of the provisions of any state or federal statute governing, regulating, or
8 otherwise applicable to the manufacture or sale of intoxicating liquor or nonintoxicating beer; (5)
9 has not been convicted of violating the provisions of any state or federal statute relating to
10 prostitution, contribution to the delinquency of a minor or sexual offenses involving persons other
11 than consenting adults; (6) has not been convicted of violating any provision of state or federal
12 law making it a felony to use, possess, or sell a controlled substance; (7) has not had a license
13 issued under the provisions of this chapter or title, or their predecessors, revoked within two years
14 of the date of his petition; (8) was not a managing officer, corporate officer, or stockholder,

18 corporation which would not be qualified for a license under the provisions of this chapter,
19 provided that the Excise Commissioner may waive this prohibition where he finds that the person,

1 ratification of the Twenty-First Amendment to the United States Constitution, been convicted of a
2 violation of the provisions of any state or federal statute governing, regulating, or otherwise
3 applicable to the manufacture or sale of intoxicating liquor or nonintoxicating beer, and (b) is of
4 good moral character. An applicant or licensee who is not an assessed taxpayer must file a return
5 for all property for which he is legally subject to taxation at the earliest date such return is
6 acceptable to the city assessor. The Board of Aldermen specifically finds that crimes of the nature
7 enumerated in subparagraph 5 above make a person unfit and incompetent to possess a liquor
8 license.

9 B. A natural person who has been convicted of a felony unrelated to the manufacture
10 or sale of intoxicating liquor or nonintoxicating beer, and who is not otherwise disqualified by
11 operation of the provisions of subsection A of this section, shall nevertheless be presumed not to
12 be qualified for a license under the provisions of this chapter and title. However, the applicant or
13 licensee may request that the Excise Commissioner hold a hearing on such issue. If after a
14 hearing, the Excise Commissioner determines that as a result of the crime for which such person
15 was convicted, and the factual basis underlying such conviction, he is not unfit or incompetent to
16 hold a liquor license, then such person shall not be disqualified from possessing a liquor license
17 on the basis of such conviction.

18 C. Where an applicant or licensee has been found to be unfit or incompetent to hold a
19 license the Excise Commissioner shall deny the application or revoke the license held by such
20 person.

1 D. Nothing in this section shall prevent the Excise Commissioner from considering
2 the facts underlying an applicant's or licensee's felony conviction when determining whether such
3 applicant or licensee is of good moral character.

4 14.06.110 Qualifications of licensee—Corporations and clubs.

5 All corporations and clubs licensed under the provisions of this title must comply with all
6 City ordinances, and all State Statutes, which pertain to corporations. The managing officer, for
7 liquor licensing purposes, of all corporations and clubs applying for a license under the provisions
8 of this title must meet all the qualifications of a natural person as set forth in the preceding
9 section. Managing officers of corporations and clubs may not be changed without the prior
10 approval of the Excise Commissioner. No corporation or club shall be qualified for a license
11 under this chapter or title unless (1) all officers and directors thereof are of good moral character
12 and (2) it has paid all taxes due and payable by it to the City.

13 14.06.120 Qualifications of licensee—Financial interests—Corporations.

14 A. No corporation shall be qualified for a license under the provisions of this chapter
15 or title if the corporation, or any officer, director or stockholders, owning, individually or in the
16 aggregate, legally or beneficially, directly or indirectly, ten percent or more of the stock of the
17 corporation or other financial interest therein: (1) shall have had a license revoked under the
18 provisions of this chapter or title, or their predecessors, within two years of the date of the
19 petition; (2) shall have been a managing officer, corporate officer or stockholder, owning, legally
20 or beneficially, directly or indirectly, ten percent or more of the stock of the corporation, of a

1 corporation which had a license issued under the provisions of this chapter or title, or their
2 predecessors, revoked within two years of the date of the petition; (3) shall have been convicted of
3 a violation of the provisions of any state or federal statute governing, regulating, or otherwise
4 applicable to the manufacture or sale of intoxicating liquor or nonintoxicating beer since the
5 ratification of the Twenty-First Amendment to the Constitution of the United States; (4) shall
6 have been convicted of violating the provisions of any state or federal statute relating to
7 prostitution, contribution to the delinquency of a minor, or sexual offenses involving persons
8 other than consenting adults; (5) has not been convicted of violating any provision of state or
9 federal law making it a felony to use, possess, or sell a controlled substance; or (6) is indebted to
10 any person, corporation or partnership which would not be qualified to possess a license under the
11 provisions of this chapter, provided that the Excise Commissioner may waive this prohibition
12 where he finds that the person, partnership or corporation to whom a corporation is indebted (a)
13 has not, since the ratification of the Twenty-First Amendment been convicted of a violation of the
14 provisions of any state or federal statute governing, regulating, or otherwise applicable to the
15 manufacture or sale of intoxicating liquor or nonintoxicating beer, and (b) is of good moral
16 character. The Board of Aldermen specifically finds that crimes of the nature enumerated in
17 subsection (A)(4) of this section make a person unfit and incompetent to have a financial interest
18 in a corporation possessing a liquor license.

19 B. If a corporation or any officer, director or stockholders, owning, individually or in
20 the aggregate, legally or beneficially, directly or indirectly, ten percent or more of the stock of the

1 corporation or other financial interest therein, shall have been convicted of a felony unrelated to
2 the sale or manufacture of intoxicating liquor or nonintoxicating beer, and the corporation is not
3 otherwise disqualified by operation of subsection A of this section, the corporation shall
4 nevertheless be presumed not to be qualified for a license unless a request is made for a hearing
5 before the Excise Commissioner on the issue of the corporation's qualifications. If after a hearing,
6 the Excise Commissioner determines that as a consequence of the crime resulting in the
7 conviction, and the factual basis underlying the conviction, the corporation is not unfit or
8 incompetent to hold a liquor license such corporation shall not be disqualified from possessing a
9 liquor license on the basis of such conviction.

10 C. Where a corporation is found to be unfit or incompetent to hold a license, the
11 Excise Commissioner shall either deny the corporation's application or revoke its license.

12 D. Nothing in this section shall prohibit the Excise Commissioner from considering
13 the facts underlying the conviction of a corporation, or any of its officers, directors or
14 stockholders when making a determination as to the moral character of such officers, directors and
15 stockholders.

16 14.06.130 Qualifications of licensee—Partnerships.

17 No partnership shall be qualified for a license under the provisions of this chapter or title if
18 any natural person who is a member of the partnership would not be qualified for a license
19 pursuant to the provisions of Section 14.06.110. Where a corporation is a member of a
20 partnership, the partnership shall not be qualified for a license if the corporation would not be

1 qualified for a license pursuant to the provisions of Sections 14.06.120 or 14.06.130.

2 14.06.140 Qualifications of licensee—Financial interest—Intoxicating liquor and nonintoxicating
3 beer licenses.

4 Any person to whom more than one (1) retail license has been issued under the provisions
5 of this chapter or title who shall suffer the revocation of one of his licenses shall not be eligible to
6 renew his other licenses when they expire. No additional license provided for by this chapter or
7 title shall be issued to such person for a period of two (2) years from the date of expiration of the
8 last of his licenses for which renewal was refused. No person licensed under the provisions of this
9 chapter or title for the sale at retail of intoxicating liquor may be employed on, or perform any acts
10 commonly performed by an employee on premises licensed to another person under the provisions
11 of this chapter or title for the sale at retail of nonintoxicating beer. No person licensed under the
12 provisions of this chapter or title for the sale at retail of nonintoxicating beer may be employed on,
13 or perform any acts commonly performed by an employee on premises licensed to another person
14 under the provisions of this chapter or title for the sale at retail of intoxicating liquor.

15 14.06.150 Qualifications of licensee—Financial interest—In other drink licenses.

16 No person shall have more than three (3) drink licenses or sell intoxicating liquor by the
17 drink at retail for consumption on the premises where sold at more than three (3) places in this
18 State. In determining whether a person or corporation to which a drink license has been issued has
19 more than three (3) drink licenses the Excise Commissioner shall include all licenses issued to any
20 employee, officer, agent, subsidiary or affiliate of a person or corporation in the total of the

2 not include in the total of the drink licenses issued to a person or corporation, for purposes of this
3 section, any drink license issued for a restaurant, as that term is defined in Section 14.01.240.

4 14.06.160 Change of ownership.

5 No person licensed under the provisions of this chapter or title may sell, lease, sub-lease,
6 rent, hypothecate, convey, assign or otherwise transfer in any manner a financial interest, other
7 than the sale of personal property removed from the licensed premises, other than corporate stock
8 or ordinary bank or commercial credit, in all, or in any part of his licensed premises unless the
9 person(s) to whom such interest is to be transferred: (1) has first filed with the Excise
10 Commissioner a complete new application for a license, including, when required, a
11 neighborhood consent petition; and (2) the Excise Commissioner has approved the application of
12 the person(s) to whom such interest is to be transferred.

13 14.06.165 Change of facts.

14 Whenever there is a change in the license status, such a death of licensee, change of
15 managing officer, change of ownership, or doing business name, the applicant, the licensee or his
16 representative shall notify the Excise Commissioner in writing within ten days of the change.

17 14.06.170 Transfer of corporate stock—Of corporations listed on stock exchanges.

18 Corporations licensed under the provisions of this chapter or title with stock listed on
19 stock exchanges or available for purchase by the public through recognized stock brokers, must

3 All corporations, except those provided for in Section 14.06.170, licensed under the
4 provisions of this chapter or title shall notify the Excise Commissioner in writing, any time
5 corporate stock or a corporate stock option is sold or conveyed in any manner, and any time a
6 corporate officer is changed. The written notice must be delivered in person or sent by registered
7 mail to the Excise Commissioner within ten (10) days of the sale, conveyance or change.

8 14.06.190 New petitions for corporations.

9 Whenever the reports required by Section 14.06.180 show that the total amount of stock
10 sold, or conveyed in any manner, or placed under option, to a person or persons who were not
11 stockholders at the time the last complete petition for a license was approved by the Excise
12 Commissioner, exceeds fifteen percent (15%) of the outstanding stock of the corporation, such
13 corporation must file a complete new petition with the Excise Commissioner. Provided, that when
14 the sale of liquor is merely incidental to the primary business conducted by such corporation on
15 their licensed premises, the Excise Commissioner may, in his discretion, waive the requirement of
16 neighborhood approval in connection with such complete new petition.

17 14.06.200 Corporate licensees required to maintain corporate status.

19 detrimental to the neighborhood in which the licensed premises would be located.

20 B. If an applicant files an application seeking issuance of a license for premises which

1 were licensed pursuant to the provisions of this chapter or title at any time during the two (2) year
2 period immediately preceding the date on which such application was filed, then the Excise
3 Commissioner shall, in determining whether the issuance of a license for such premises would be
4 detrimental to the neighborhood in which the licensed premises would be located, take into
5 account the previous operation and conduct of, and circumstances at, such premises; however, the
6 Excise Commissioner shall not consider liquor law violations committed by a former licensee or
7 employees of a former licensee, except as provided by the provisions of Chapter 14.06 of this title.
8 If an applicant possesses a liquor license for premises other than the premises for which he has
9 submitted an application then the Excise Commissioner, in determining whether issuance of the
10 license applied for would be detrimental to the neighborhood in which the proposed licensed
11 premises would be located, shall consider the factors enumerated in Section 14.08.040 with regard
12 to operation and conduct of and conditions existing at such other premises, to the extent that such
13 factors are relevant to consideration of the manner in which the premises proposed to be licensed
14 would be operated.

15 C. Whenever the Excise Commissioner makes a decision to approve or deny an
16 application for a drink, package or COL. license he shall notify the Alderman of the ward in
17 which the proposed licensed premises would be located of his decision. Thereafter the Alderman

9 section.

10 B. Not later than the date of expiration of a license issued pursuant to the provisions
11 of this chapter or title, nor more than two weeks prior to such date, a licensee may submit an
12 application for renewal of such license. The Excise Commissioner may waive this time limitation
13 for good cause shown. In order to make an application for renewal of a license the licensee, or the
14 managing officer of the licensee if the licensee is a corporation, must appear in person at the
15 office of the Excise Commissioner and submit proof that the licensee has paid all taxes which are
16 due, or payable, to the City of St. Louis, the Collector of Revenue, or License Collector, from the
17 licensee to the City as a result of operation of the licensed premises, together with a completed

5 certain circumstances.

7 application has been submitted the Excise Commissioner may, on his own motion, call a hearing
8 to determine whether renewal of the license would be detrimental to the neighborhood wherein
9 the licensed premises is located. If the Commissioner calls such a hearing he shall comply with
10 the notice provisions contained in subsection B of Section 14.08.060. However, all notices
11 required by this section shall specify that the hearing has been called to consider whether renewal
12 of the license in question would be detrimental. The procedure established by subsection C of
13 Section 14.08.060 shall apply to hearings held pursuant to this section.

14 14.08.110 Protests against licenses or applications—When and how initiated.

12 Section 14.08.060, for the hearing on such application. The application hearing shall not be

17 be submitted. The Excise Commissioner shall have power to continue the hearing for good cause.
18 The Excise Commissioner shall not schedule a hearing for a protest against continuation of a
19 license, and shall summarily dismiss such protest, where no protest petitions are submitted to him
20 prior to the closure date for submission of protest petitions.

4 Commissioner shall make a decision as to whether the protest petitions submitted to him contain a
5 valid majority of either persons residing or conducting business, or persons owning property
6 within the petition circle. He need not, prior to initiation of the second phase of the hearing, make
7 any determination as to the sufficiency of the written protest letter. During the second phase of the
8 hearing, the Excise Commissioner shall consider evidence concerning whether issuance, renewal
9 or continuation of the license which is the subject of the protest would be detrimental to the
10 neighborhood in which the licensed premises is or would be located.

11 14.08.140 Protests—Necessity of majority of signatures on petition protesting continuation of
12 license—Effect of majority of signatures on petition protesting a license application.

13 A. A protest against continuation of a license may only be sustained by the Excise
14 Commissioner if the protest petitions submitted to him to protest such continuation contain the
15 signatures of either a majority of the persons residing or conducting business within the petition
16 circle of the licensed premises which is the subject of the protest or a majority of the persons
17 owning property within such petition circle. If, after the first phase of the hearing is completed,
18 the Excise Commissioner determines that the protest petitions submitted to him in protest of the
19 continuation of a license contain the signatures of neither a majority of the persons residing or
20 conducting business within the petition circle of the licensed premises which is the subject of the

1 protest nor a majority of the persons owning property within such petition circle then he shall
2 deny the protest and shall not consider evidence of whether continuation of the license would be
3 detrimental to the neighborhood in which the licensed premises is located.

4 B. If the Excise Commissioner determines, after the first phase of the hearing is
5 completed, that protest petitions submitted to him to protest an application for a license contain
6 the signatures of either a majority of the persons residing or conducting business within the
7 petition circle of the proposed licensed premises which is the subject of the protest or a majority
8 of the persons owning property within such petition circle, then the Excise Commissioner shall
9 sustain the protest and refuse to grant the license applied for, regardless of any evidence
10 concerning detriment to the neighborhood.

11 14.08.150 Protests—Allocation of burden of proof—Grounds for sustaining protests—Effect of
12 sustaining protest.

13 A. If the Excise Commissioner determines after the first phase of the protest hearing
14 that the protest petitions submitted to him contain the signatures of either: (1) a majority of the
15 persons residing or conducting business within the petition circle of the licensed premises which
16 is the subject of the protest; or (2) a majority of the persons owning property within such petition
17 circle, he shall sustain the protest unless the licensee shows by a preponderance of the evidence
18 submitted at the hearing that renewal or continuation of the license would not be detrimental to
19 the neighborhood in which the licensed premises is located. If the Excise Commissioner
20 determines after the first phase of the protest hearing that the protest petitions submitted to him do

1 not contain the signatures of either a majority of the persons residing or conducting business
2 within the petition circle of the licensed premises which is the subject of the protest or a majority
3 of the persons owning property within such petition circle, he shall deny the protest, unless the
4 protestors show by a preponderance of the relevant evidence submitted at the hearing that issuance
5 or renewal of the license would be detrimental to the neighborhood in which the licensed premises
6 is or would be located.

7 B. If the Excise Commissioner sustains a protest against issuance of a license he shall
8 refuse to grant such license to the person applying therefor. If he sustains a protest against renewal
9 of a license such license shall not be revoked, but the Excise Commissioner shall refuse to renew
10 such license after it expires. If the Excise Commissioner sustains a protest against continuation of
11 a license he shall cancel such license effective one month after any decision is filed upholding
12 such protest. If the license expires by operation of law before it can be cancelled it shall not be
13 renewed.

14 14.08.160 Extension of protested license.

15 Where a protest has been filed against continuation or renewal of a license and the license
16 expires prior to a decision by the Excise Commissioner on the protest, the Excise Commissioner
17 shall grant an extension of the license. If the Excise Commissioner sustains a protest, the
18 extension shall expire on the date on which the decision on the protest is issued.

19 14.08.170 Withdrawal of signatures from consent or protest petitions.

20 Any person who has signed both a neighborhood approval petition circulated by or on

1 behalf of a licensee or applicant and a protest petition for the same premises may withdraw his
2 signature from either petition by submitting a letter to the Excise Commissioner requesting
3 withdrawal prior to the date set for the hearing on the protest or by requesting withdrawal in
4 person at the hearing. If a person signs both a neighborhood approval petition and a protest
5 petition and does not request that his signature be withdrawn from one or the other then his
6 signature shall not be counted for or against the application. The Excise Commissioner may also
7 allow a person to withdraw his signature from either a protest or neighborhood approval petition if
8 he finds, based upon a preponderance of evidence, that the circulator of a petition threatened or
9 coerced such person or that the circulator made a material misrepresentation of fact concerning
10 the licensed premises or proposed licensed premises to such person.

11 14.08.180 Common eating and drinking area—Permit—Sale of drinks for consumption.

12 A. Upon application in a form acceptable to the Excise Commissioner, he may issue a
13 common eating and drinking area permit for a specified area, provided that such area meets the
14 criteria for a common eating and drinking area set out in Section 14.01.080 of this chapter and
15 title. Such permit shall be issued without charge and shall remain in force unless cancelled or
16 revoked by the Excise Commissioner.

17 B. If the terms of a drink licensee's lease require payment by the licensee of a common
18 area maintenance charge for a common eating and drinking area, any intoxicating liquor or
19 nonintoxicating beer sold on the premises for which the licensee possesses a license may be
20 consumed in such common eating and drinking area.

1 14.08.190 Motor vehicle service stations.

2 A. No person, firm or corporation engaged in the motor vehicle service station
3 business shall sell or offer for sale, on the premises where the service station business is
4 conducted, any intoxicating liquor with an alcohol content in excess of five percent (5%) by
5 weight. Any license or permit issued on or before the effective date of this ordinance codified in
6 this chapter to any person, firm, or corporation for the sale of intoxicating liquor with an alcohol
7 content in excess of five percent (5%) by weight at a premises on which a motor vehicle service
8 station business is located shall not be renewed, except that, upon expiration of the existing
9 license, the licensee may renew such license as five percent (5%) package license without having
10 to submit a new application therefor.

11 B. Any licensee engaged in the motor vehicle service station business who currently
12 possesses a valid City of St. Louis 3.2% Motor Vehicle Service Station Retail Package License
13 may, upon expiration of such license, apply for a five percent (5%) package license without
14 having to submit a complete new application or a neighborhood consent petition. Upon receipt of
15 such application, the Excise Commissioner shall approve issuance of a five percent (5%) package
16 license to such a licensee, unless he would have cause to deny renewal of the 3.2% Motor Vehicle
17 Service Station Retail Package License to said licensee.

18 C. After the effective date of the ordinance codified in this chapter, no person, firm, or
19 corporation operating a Motor Vehicle Service Station shall be issued a five percent (5%) package
20 license for a premises which was not licensed for sale of intoxicating liquor or nonintoxicating

1 beer on the effective date hereof, unless the proposed licensed premises will comply, at the time
2 the license would be issued, with the provisions of Section 14.06.250 hereof.

3 14.08.200 Summer garden/sidewalk café.

4 A. Notwithstanding any other provisions of this chapter and title, upon application by
5 a person to whom a drink or COL. license has been issued, the Excise Commissioner may issue a
6 permit to allow the licensee to maintain, in connection with and adjoining the licensed premises,
7 an open-air space, commonly called a summer garden or sidewalk café, for serving or consuming
8 intoxicating liquors and/or nonintoxicating beer. No permit shall be issued for a summer garden
9 unless at least one (1) side of the summer garden adjoins a public street, alley, or highway and is
10 so fenced and equipped as to permit an unobstructed view of the summer garden from the street,
11 alley or highway. The Excise Commissioner shall not issue a permit for a sidewalk café, any
12 portion of which is located upon a public right-of-way, unless the licensee has first procured an
13 encroachment permit from the Board of Public Service. Such permit shall have a one time
14 application fee of one hundred dollars (\$100.00) to cover the various cost incurred by the City of
15 St. Louis in investigating, placarding and processing the application. The application fee is non-
16 refundable. The annual renewal cost will be \$15.00 per year. All currently licensed
17 establishments are exempt from the application fee, but are responsible for the renewal fee. Such
18 permits may be revoked or suspended for cause by the Excise Commissioner. A licensee or
19 applicant for a drink license may apply for a summer garden/sidewalk café permit at any time. A

2 B. Applications for issuance of a summer garden/sidewalk café permit shall be made
3 in a form acceptable to the Excise Commissioner. An applicant for a summer garden/sidewalk
4 café permit shall not be required to file a neighborhood consent petition. The Excise
5 Commissioner shall, upon receipt of an application for a summer garden/sidewalk café permit, fix
6 a date for a hearing on the application which shall not be less than ten (10) days from the date of
7 filing of such application. Where an application for a summer garden/sidewalk café permit is
8 made at the same time as the applicant applies for a drink license, the hearing on the summer
9 garden/sidewalk café permit shall be combined with the hearing on the license application. At
10 least ten (10) days before the date on which the hearing on the permit is scheduled, the Excise
11 Commissioner shall cause to be mailed or delivered to the applicant, the Alderman of the Ward in
12 which the licensed premises is or would be located, and the Police Department notice of the time,
13 place and date of the hearing. In addition he shall cause a placard containing the words
14 “HEARING ON SUMMER GARDEN PERMIT IN THIS BLOCK” or “HEARING ON
15 SIDEWALK CAFÉ PERMIT IN THIS BLOCK,” whichever is appropriate, printed in bold black
16 letters at least one and one-half (1½) inches in height, to be placed at each end of the block on the
17 side of the street where the applicant proposes to locate the establishment, unless such placement
18 is not possible. If it is not possible to place said placards in the manner specified in the preceding
19 sentence, the liquor control agent posting the placards shall place the placards in such manner as
20 to give the greatest notice to passersby of the hearing on the application. Said placards shall

1 specify in clear and legible lettering the time, place and date of the hearing, the name of the
2 applicant and the address of the premises for which the permit is proposed. An applicant for a
3 summer garden/sidewalk café permit shall not be required to pay the fee specified in Section
4 14.08.020(B), nor shall he be required to pay for the placarding required by this subsection. At the
5 hearing required by this subsection, any interested party may present evidence as to why issuance
6 of a summer garden/sidewalk café permit would or would not be detrimental to the neighborhood.
7 In determining whether to issue a summer garden/sidewalk café permit to an applicant therefor,
8 the Excise Commissioner shall consider whether issuance of such permit would be detrimental to
9 the neighborhood in which the licensed premises is or would be located. Unless the Excise
10 Commissioner determines that a summer garden/sidewalk café permit would be detrimental to the
11 neighborhood, he shall issue such permit, provided that the requirements of subsection A of this
12 section have been complied with by the applicant.

13 C. Not later than the date of expiration of a summer garden/sidewalk café permit, nor
14 more than two (2) weeks prior to such date, a licensee may submit an application for renewal of
15 such permit on a form acceptable to the Excise Commissioner. The Excise Commissioner may
16 waive this time limitation for good cause shown. In determining whether to renew a summer
17 garden/sidewalk café permit, the Excise Commissioner shall have the same discretion as provided
18 by Section 14.08.100 with regard to renewal of liquor licenses.

19 D. Renewal or continuation of a summer garden/sidewalk café permit may be
20 protested without a protest being filed against the underlying liquor license. Such protest shall be

1 made in the same manner as is provided by this chapter and title for protest of renewal or
2 continuation of a retail liquor license.
